Merry  
Christmas

The text 'Merry Christmas' is rendered in a highly decorative, cursive font. The letters are filled with a red-to-white gradient and outlined in a vibrant green. The text is embellished with various Christmas-themed elements: green garlands with white lights are draped across the letters; red and gold spherical ornaments are suspended from the top and bottom of the characters; and small, colorful lights (pink, yellow, blue) are scattered throughout the design. The overall effect is festive and celebratory.
